Another 52 Weeks in the Word: Weekly Bible Study Dr Emmanuel W Francis

This book is designed for weekly Bible study groups and contains fifty-two lessons to cover one year of teaching. It is intended to augment my earlier publication, "Fifty-Two Weeks in the Word". There are a variety of themes with several lessons in each one. These lessons will present an interesting look at the Bible from the perspective of the parallelism between the Old and New Testaments, while supporting the premise that the Bible is all about Jesus Christ. The intent here is also to show how a proper understanding of Genesis (the book of beginnings) makes it easier to understand the rest of the Bible, while correlating the writings to our present day Christianity. The scriptural references are limited to the King James Version (KJV) of the Holy Bible for consistency and to keep the script within the public domain.
