Candlelight offers an intimate view of spiritual direction through written re-enactments of actual spiritual direction sessions. The experiential practice is accompanied by theoretical and theological foundations guiding it. The book includes the stories of nine men and women whose stories illustrate how the journey of Christian discipleship is helped by spiritual direction.

The Spiritual Directors International Series – This book is part of a special series produced by Morehouse Publishing in cooperation with Spiritual Directors International (SDI), a global network of some 6,000 spiritual directors and members.
