Mea Cuba (Spanish Edition)

Guillermo Cabrera Infante

Mea Cuba (Spanish Edition) Guillermo Cabrera Infante

During the course of an exile that began in 1965, Cabrera Infante has taken part in each and every one of the controversies that have arisen since Fidel Castro took hold of Cuba. Mea Cuba recounts an event that has often repeated itself during the twentieth century: the story of yet another dictatorship that silences, represses, lies and murders; and the story of all the talented individuals that have been condemned in a battle of propaganda alive to this day. Key figures in the Island's tragedy and its literary world file through the pages of this book. Mea Cuba is the most important anthology on Cuban politics since José Martí's.

Description in Spanish: Cabrera Infante no ha dejado de intervenir -a lo largo de un exilio que comenzó en 1965- en ninguna de las diversas polémicas suscitadas desde que Fidel se hizo con el poder en Cuba, de ahí que en este amplio escenario desfilen los principales personajes de la tragedia cubana y los de su vida literaria. Aquí están todos los escritores estigmatizados: desde Heberto Padilla, al difunto Reynaldo Arenas; aquí están también todos los que por diferentes razones y con distintas actitudes se quedaron en Cuba, desde José Lezama Lima hasta Alejo Carpentier. Y detrás de todos los actores, moviendo los hilos, el máximo titiritero, Fidel, definido como un Cristóbal Colón a la inversa. Humor negro en muchos momentos que relata con detalle la historia que tantas veces se ha repetido a lo largo del siglo XX, la de una dictadura que amordaza, reprime, miente y mata y la de los talentos por ella condenados en una guerra de propaganda que todavía hoy no ha terminado. Es la compilación de escritos sobre la política cubana más importante desde la que hiciera José Martí.
