Two Doctors & a Baby (Those Engaging Garretts!) Brenda Harlen

"Surprise... You're pregnant!"

Obstetrician Avery Wallace has uttered those words but never had them said to her...till now, just three weeks after her unexpected New Year's Eve with the hospital's "Dr. Romeo," Justin Garrett. But Avery's sworn off marriage, motherhood and men—especially doctors. And it isn't attraction she feels for the sexy ER doc...it's pregnancy hormones!

"Let's get married."

One night isn't enough for Justin, not when he's crushed on Avery for years. But a baby? Not in his plans. So no one's more surprised by his proposal...or more disappointed by her refusal. The hospital's buzzing but Justin doesn't care. He knows what to do—and he has a little over eight months to do it: convince Avery to make him a husband before he becomes a daddy.
