In the wake of a devastating epidemic, sheltered Emily Eliot finds herself alone, making her own decisions for the first time. When desperation leads her to sell her virtue, she walks straight into trouble.

Enter one gorgeous, golden haired gentleman bent on protecting her.

Alexander Dalton came to the Blue Duck Tavern seeking to lose himself in sexual pleasure. But when he saw the delicate and vulnerable young woman, he couldn't turn away.

Emily is alarmed by her own intense responses as this charismatic and carnal man introduces her to erotic pleasure. Having lived as a virtual prisoner of her grandmother's suffocating manipulation, Emily bristles under Alex's possessive, protectiveness. And Alex's charming smile hides a dark secret that could destroy their chance at happiness.

“The characters are well-rounded, very well explored, and their emotions were displayed Best Bits: The whole damn book. Every single lush word, scene, character and emotion they inspired.

Verdict: This has honestly been one of the best historical books I've read.” ~ Ms Love and Crew Loves Books

“I'm becoming a steadfast fan of Natasha Blackthorne. She writes the most heated, sexually charged historical novels that I've read. And it's not just the sex in these stories that keeps me coming back, but its also her writing. It's just fabulous, it's the main reason why I'll keep reading her books. She's taking women from a period where you were actually only seen and not heard and she's empowering them.

These women are strong mentally, physically and sexually and they are taking control of their sometimes dire situations. But lets not forget the men in these stories. They are strong men, A man's man. Men who expects a lady to act as a lady should, but still remain the strong woman she is.

All and all, another awesome read. I LOVED it. Please pick this one up and any other book in the ... series, you will not regret it and you will definitely be hooked.” ~ Salacious Reads

“This author knows how to write an erotic historical romance that will keep readers on the edge of their seats. The characters will capture your heart, as you watch them grow. A must read! I loved this story. If you enjoy historicals, Georgian era, Americana, hot passion, with a twist than 'Alex's Angel' is the story for you.” ~ My Book Addiction and More
