Grown-up Kim Fielding

It's time for Austin Beier to grow up. His car is falling apart, his roommates are less than ideal, and he's just been fired for the umpteenth time. His love life hasn't evolved past bathroom hookups at his favorite clubs. Forced to borrow money from his father yet again, Austin is walloped by an epiphany—he needs someone to mentor him into maturity. And who better to teach him how to be an adult than Ben, his father's office manager? Cute in a nerdy sort of way and only a few years older than Austin, Ben is a master of organization and responsibility. But as he gets to know Ben better, Austin learns that whether you're eight or twenty-eight, growing up is never easy.
