### THE VAMPIRE WITH THE DRAGON TATTOO

by J.R. Rain

Three years ago, high school student Veronica Fortune witnessed the brutal murder of her parents. Now armed and dangerous, she sets out to hunt down the very thing that destroyed her life. That is, until she disappears. Spinoza is a private investigator who specializes in finding the missing. He's good at what he does. Damn good. But he's also a recovering alcoholic and a royal mess. Hired to find Veronica, Spinoza won't let his personal demons—or demons of any kind—get in the way of finding the truth about the missing girl. Now following a bizarre set of clues that leads him into stranger and stranger territory, Spinoza is about to come face-to-face with something legendary...and something hungry for blood.

### ROMEO & JULIET: A VAMPIRE AND WEREWOLF LOVE STORY

by H.T. Night

In the distant future, New York City has been turned upside down by warring families. Immortal families. The vampires are led by the House of Capulet, and Juliet's father is their leader. The werewolves are led by Lord Montague of the House of Montague, Romeo's father. Against all odds, Romeo and Juliet find one another and fall hopelessly in love. Tragically in love. And when blood is spilled - and the families wage war on one another - will Romeo and Juliet's love survive against all odds?

### MUSINGS OF A POSTMODERN VAMPIRE

by P.J. Day

Jack isn't your typical vampire. He has a high paying job, drives a nice car, owns a nice home and has a closet full of clothes that would make the top editor at GQ envious. He's a rarity among vampires, one who has successfully blended into the human world and enjoys the trivialities of human life. Holly, a blonde haired, green-eyed beauty is exactly the type of girl that could take Jack out of his comfort zone and have him risk his true identity. Intrigued by her radiant beauty, Jack goes all out to impress Holly, even if it means extending the night into the possibility of facing the early morning sun. In the tradition of the Bram Stoker's Dracula, King's Blood is a tell-all epistolary from a vampire who is addicted Facebook, reality shows, and the newest consumer technology. It is also the beginning of Jack's harrowing tale of betrayal, horror, exploitation, and the ultimate revelation of the origins of humanity and vampires.
