Out of Order, Out of Sight: 2-volume set

Adrian Piper

Out of Order, Out of Sight: 2-volume set Adrian Piper

Adrian Piper joins the ranks of writer-artists who have provided much of the basic and most reliable literature on modern and contemporary art. *Out of Order, Out of Sight* is an artistic and intellectual autobiography and an (occasionally scathing) commentary on mainstream art, art criticism, and American culture of the last twenty-five years.

Piper is an internationally recognized conceptual artist and the only African American in the early conceptual art movement of the 1960s. The writings in *Out of Order, Out of Sight* trace the development of her thinking about her artwork and the art world, and her evolving awareness of herself as a creative, racial, and gendered subject situated in an often limiting and always absurd cultural and social context.
