The Uncrowned Kings of England: The Black History of the Dudleys and the Tudor Throne Derek Wilson

In the political ferment of 16th-century England, one family above all others was at the troubled center of court and council. Throughout the Tudor Age the Dudley family was never far from controversy. They were universally condemned as scheming, ruthless, overly ambitious charmers, with three family members even executed for treason. Yet at the opposite extreme of the spectrum, Edmund Dudley was instrumental in establishing the financial basis of the Tudor dynasty, while John Dudley, Duke of Northumberland, led victorious armies, laid the foundations of the Royal Navy, ruled as uncrowned king, and almost landed on the throne. Written by award-winning historian, Derek Wilson, *The Uncrowned Kings of England* charts the scandals and triumphs of this legendary clan. Foremost among the family, Robert Dudley, Earl of Leicester, was Queen Elizabeth's favorite for 30 years (and came the closest to marrying her), and governed the Netherlands in her name. His successor, Sir Robert Dudley, scholar, adventurer, and courtier, was one of the Queen's most audacious seadogs in the closing years of her reign, but fell foul of James I. The fortunes of this astonishing family rose and fell with those of the royal line they served faithfully through a tumultuous century.

Shirley Cochran:

As a pupil exactly feel bored to reading. If their teacher inquired them to go to the library or to make summary for some reserve, they are complained. Just tiny students that has reading's internal or real their hobby. They just do what the trainer want, like asked to the library. They go to presently there but nothing

reading really. Any students feel that reading is not important, boring and can't see colorful pictures on there. Yeah, it is being complicated. Book is very important for yourself. As we know that on this period, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. Therefore , this The Uncrowned Kings of England: The Black History of the Dudleys and the Tudor Throne can make you truly feel more interested to read.
