Baby's First Words in Chinese Erika Levy

Before they focus in on their native language, babies have an amazing ability to hear and absorb sounds that adults unconsciously block out, like the subtleties of a foreign language. *Baby's First Words in Chinese* is an introduction to the sounds of Chinese and “locks in” a child's ability to learn these sounds.

Created by linguistic experts, *Baby's First Words in Chinese* is designed for newborns to toddlers up to two years old. Each package includes:

- 60 minute CD of sweet and soothing songs, rhymes, words and stories
- Parents' guide that explains how children learn languages
- Lyric sheet so that parents can sing along to the songs on the CD with their children
