Night on Fire

Ronald Kidd

Night on Fire Ronald Kidd

Thirteen-year-old Billie Simms doesn't think her hometown of Anniston, Alabama, should be segregated, but few of the town's residents share her opinion. As equality spreads across the country and the Civil Rights Movement gathers momentum, Billie can't help but feel stuck--and helpless--in a stubborn town too set in its ways to realize that the world is passing it by. So when Billie learns that the Freedom Riders, a group of peace activists riding interstate buses to protest segregation, will be traveling through Anniston on their way to Montgomery, she thinks that maybe change is finally coming and her quiet little town will shed itself of its antiquated views. But what starts as a series of angry grumbles soon turns to brutality as Anniston residents show just how deep their racism runs. The Freedom Riders will resume their ride to Montgomery, and Billie is now faced with a choice: stand idly by in silence or take a stand for what she believes in. Through her own decisions and actions and a few unlikely friendships, Billie is about to come to grips with the deep-seated prejudice of those she once thought she knew, and with her own inherent racism that she didn't even know she had.

From reader reviews:

Alfred Zoeller:

Why don't make it to become your habit? Right now, try to prepare your time to do the important action, like looking for your favorite book and reading a e-book. Beside you can solve your long lasting problem; you can add your knowledge by the reserve entitled Night on Fire. Try to face the book Night on Fire as your buddy. It means that it can being your friend when you really feel alone and beside that course make you smarter than ever before. Yeah, it is very fortunated for you. The book makes you much more confidence because you can know anything by the book. So , we need to make new experience and also knowledge with this book.

Michael Lucius:

The book Night on Fire can give more knowledge and also the precise product information about everything you want. So just why must we leave a very important thing like a book Night on Fire? A number of you have a different opinion about publication. But one aim which book can give many data for us. It is absolutely proper. Right now, try to closer using your book. Knowledge or info that you take for that, it is possible to give for each other; it is possible to share all of these. Book Night on Fire has simple shape but you know: it has great and massive function for you. You can seem the enormous world by available and read a reserve. So it is very wonderful.

Anthony Rouse:

This Night on Fire book is absolutely not ordinary book, you have after that it the world is in your hands. The benefit you receive by reading this book is definitely information inside this guide incredible fresh, you will get data which is getting deeper an individual read a lot of information you will get. This kind of Night on Fire without we understand teach the one who examining it become critical in thinking and analyzing. Don't always be worry Night on Fire can bring once you are and not make your case space or bookshelves' turn out to be full because you can have it with your lovely laptop even cell phone. This Night on Fire having very good arrangement in word as well as layout, so you will not truly feel uninterested in reading.

Helen Albertson:

This Night on Fire is new way for you who has intense curiosity to look for some information mainly because it relief your hunger of knowledge. Getting deeper you into it getting knowledge more you know otherwise you who still having tiny amount of digest in reading this Night on Fire can be the light food for you personally because the information inside that book is easy to get by simply anyone. These books produce itself in the form that is reachable by anyone, that's why I mean in the e-book contact form. People who think that in e-book form make them feel drowsy even dizzy this e-book is the answer. So there is no in reading a guide especially this one. You can find what you are looking for. It should be here for anyone. So , don't miss this! Just read this e-book kind for your better life as well as knowledge.
