Sister, Survivor: Finding Your Survivor Spirit

Ayngel "Boshemia" Overson

Sister, Survivor: Finding Your Survivor Spirit Ayngel "Boshemia" Overson

From Victim, to Survivor, to Thriver... An inspirational tribute to the Survivor Spirit in all of us. Sister, Survivor: Finding Your Survivor Spirit After Abuse is a personal conversation from one abuse Survivor to another making the case that surviving abuse isn't all bad. Post traumatic stress disorder also has a little talked about side effect, known as Post Traumatic Growth, and it is more common than you might think. The author calls it the Survivor Spirit, and for the record, her Survivor Spirit calls herself Boshemia. PTSD had already left her reclusive and home-bound when she began suffering from a mysterious illness. She was diagnosed with fibromyalgia, but doctors gave her little hope of ever leading a normal life again. Refusing to give up she finally located professionals who understood the unique health problems that many Survivors face and began the path to healing in her life. Part memoir, part self-help, the author examines the dilemma of being an abuse Survivor in a world that expects cookie cutter normalcy. In this book, Ayngel and her alter ego Boshemia share the many lessons that they learned together on the journey from Victim to Survivor to Thriver.... Learn how to: Stop the cycle of abuse in your life for good. Redefine "normal" for yourself. Build stronger, and healthier personal relationships. Find the YOU that you were truly meant to be. Set personal boundaries that aren't a prison.

Lydia Rogers:

The particular book Sister, Survivor: Finding Your Survivor Spirit has a lot info on it. So when you read this book you can get a lot of profit. The book was compiled by the very famous author. This articles author makes some research previous to write this book. That book very easy to read you can obtain the point easily after reading this book.

Arlene Farrar:

As a university student exactly feel bored to be able to reading. If their teacher inquired them to go to the library or make summary for some book, they are complained. Just minor students that has reading's internal or real their passion. They just do what the professor want, like asked to go to the library. They go to right now there but nothing reading very seriously. Any students feel that studying is not important, boring as well as can't see colorful images on there. Yeah, it is to be complicated. Book is very important to suit your needs. As we know that on this period of time, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. Therefore , this Sister, Survivor: Finding Your Survivor Spirit can make you sense more interested to read.
