## **Behind Your Back** Chelsea M. Cameron

To get to him, I need to use her.

I'll play her like a violin and have her falling in love with me before she even knows what's happening.

It will be easy. I've done it before and I'll do it again.

She's just a girl.

A tool to get what I want.

When I'm done with her I won't think twice about walking away.

At least, that was what I thought.

Until I met her.
