Isabel Stone's life is far from normal. She's a girl with problems—vampire problems to be specific and, now, she also has one ticked-off specter on her hands.

Approached by a childhood friend and medium, Isabel agrees to look into the murder of a local girl, only to wind up inhabited by the solitary witness—a centuries-old ghost who is all too happy to piggyback along in Isabel's body, and she's not leaving until the culprit is behind bars.

With the help of her partner, Shane, and her crazy family, Isabel struggles to get to the truth, unmask a killer, and deal with her growing feelings for not one, but two, of the sexy, undead men vying for her heart. Just when things are finally falling into place, a huge revelation takes her out of the frying pan... and straight into the fire.
