Quiet Chaos Sandro Veronesi

The winner of the Strega Prize, Italy's top literary award, and the basis of an internationally acclaimed motion picture, *Quiet Chaos* is now available in America. Author Sandro Veronesi, whose work has been glowingly compared to the novels of Ian McEwan and Martin Amis, dazzles with this powerfully compelling, often darkly funny story of a television producer whose world is misshapen by ironic tragedy. An unforgettable contemporary fable about stepping out of life after it cruelly turns everything upside-down, and finding a resolution to the unsolvable problem of loss in the beauty and strangeness of the everyday, *Quiet Chaos* is another literary wonder from the author of *The Force of the Past*.
