## **The Outlaws** Jason Vail

Eustace FitzWalter, Giselle de Hafton, and Robert Attebrook could not be more different. Eustace is the bastard son of an earl, Giselle the sheltered daughter of a dotting gentry father, and Robert the son of an impoverished village carpenter. In ordinary times, their lives would not intersect. But when Robert breaks his uncle out of Earl Roger FitzWalter's gaol, he sets in motion a series of events that sends their lives colliding in a maelstrom of murder and revenge that drives them all outside the laws and customs of England. Step into the tumultuous years of the Twelfth Century, and stand alongside Eustace as he schemes to inherit his father's title, lands, and power, using every means within his grasp; Giselle as she fights to free herself from a forced marriage and to save her inheritance; and Robert as he struggles to rise above the limitations of his birth in the face of Eustace's quest for vengeance. A saga to rival Ken Follett's Pillars of the Earth, The Outlaws sweeps from serene English villages and quiet forest glens, to French battlefields, remote Welsh fortresses, and even the court of King Henry II, where nobles and clergy vie for power and wealth, and disputes are often decided with steel and blood. The Outlaws is sure to please fans of the Stephen Attebrook mysteries, for it reveals the truth about the founding of the powerful Attebrook family — a secret that family would sooner forget.
