What's the Worst That Could Happen? Bruce Coville

The tragically hilarious tale of a boy named Murphy Murphy, and the pain he endures at being 13.

Here is the opening:

"If thirteen is supposed to be an unlucky number, what does it mean that we are forced to go through an entire year with that as our age? I mean, you would think a civilized society could just come up with a way for us to skip it.

Of course, good luck and I have rarely shared the same park bench. Sometimes I think Murphy's Law—you know, "If something can go wrong, it will"—was invented just for me. I suppose the fact that my name is Murphy Murphy might have something to do with that feeling. Yeah, you read it right: Murphy Murphy. It's like a family curse."

Originally published in *13: Thirteen Stories That Capture the Agony and Ecstasy of Being Thirteen*, edited by James Howe.
