In this workbook companion to *You and Me Forever*, Francis and Lisa challenge us to think differently about some of the most important relationships in our lives. A jealous God asks us to pursue Him first and most. If we have Him at the center then life makes sense and everything falls into its proper place. Jesus was right. We have it all backwards. The way to have a great marriage is by not focusing on marriage. This workbook is meant to help take these powerful truths and translate them into action and changed lives. 100% of the net proceeds from this book will support various ministries including those that help provide shelter and rehabilitation for thousands of children and exploited women around the world.
