Not many wolves have known their true mate since first grade, let alone spent years fighting every instinct to claim them, but Iron has his reasons. Sexy, sophisticated Doctor Isabella Santiago is not meant for pack life. He's protecting them both from a life of misery and crushed dreams, the type of life his parents had.

Bella, though, has her own idea about what's best for her, and she's done letting her werewolf dictate their relationship. This Mating Season she's going to test Iron's control, because while Iron may never break, she's going to do everything possible to make him bend.

\*\*\* This Werewolf Shifter BBW story is complete and total down to the HEA! Enjoy the read!

The mating moon is rising...
