Summer Secrets: A Novel Jane Green

With *Summer Secrets* Jane Green has reached an even deeper level of emotion that will stay with you long after you turn the last page...

Living in London in her twenties, Cat had it all--a great job and wonderful friends. But with the good came the bad--a party every night, wreaking havoc, and blackouts. When she discovers the father she never knew she had, living in Nantucket, it sends her into a spiral, costing her the new family she had desperately craved. The drinking had always been a constant evil in Cat's life. Now in her late thirties, sober, divorced from the love of her life, and trying to make up for lost time with her teenage daughter, she's ready to make amends to those she has hurt. But facing the past and the unthinkable act she committed one summer night could change the course of her life forever.
