It'll take more than a fire hose to cool down this attraction...

Fated, Book 1

Rain, rain, go away. That's Jenna's mantra as she suffers through yet another rain-soaked walk home from work. At least the tight butt of the guy walking in front of her offers some distraction. When he turns around and asks to share her umbrella, she realizes his front view is as smokin' as the back. What better way to get up close and personal with the object of her ogling?

Brett noticed his hot little neighbor weeks ago, but until now hadn't worked up the nerve—or found the opportunity—to approach her. Too many hours at the fire station has left him longing for something more out of life. Like the company of a sweet, sexy woman. Maybe, if he's lucky, kindling a relationship.

Jenna surprises herself again when she offers to let him dry off in her apartment. One minute he's toweling off his hair, the next their chemistry explodes in the hottest sex either of them have ever experienced. And suddenly they're both wondering if he's the match to her tinder, or if it's too much, too fast...

Warning: Contains smokin' hot sex with a delicious stranger who turns out to be her neighbor who turns into the hottest firefighter she's ever met. Grab a glass of ice water to cool these flames!
