Come Fly with Us!: A Global History of the Airline Hostess Johanna Omelia, Michael Waldock

When the first commercial flights took off in the 1930s, stewardesses were registered nurses whose duties included swatting flies and helping passengers read railroad timetables in the event of forced landings. In the 1950s, stewardesses were viewed as wives-in-training, as adept at preparing a baby's bottle as mixing a martini. By the swinging 1960s and 1970s, female flight attendants were considered successful marketing tools, sporting micro-minis, hot pants, and buttons that read "Pure, Sober, and Available" to lure male business passengers on board. *Come Fly With Us!* explores the unique history of this industry pioneered by women, tracing changes in the flight attendant's role - from flying nurse to airborne sex kitten to today's custodian of safety and service. Stunning visuals from airline archives and early flight maps, promotional brochures, and print advertisements re-create a sense of the early days and underscore the dramatic changes encountered in this dynamic industry.

This book which is qualified as *The Hungry Mountains* can get you closer in turning into precious person. By looking upward and review this reserve you can get many advantages.

Bryan Lopez:

Do you like reading a e-book? Confuse to looking for your selected book? Or your book had been rare? Why so many query for the book? But just about any people feel that they enjoy to get reading. Some people likes studying, not only science book but in addition novel and *Come Fly with Us!: A Global History of the Airline Hostess* or even others sources were given knowledge for you. After you know how the good a book, you feel want to read more and more. Science book was created for teacher or even students especially. Those books are helping them to increase their knowledge. In other case, beside science book, any other book likes *Come Fly with Us!: A Global History of the Airline Hostess* to make your spare time considerably more colorful. Many types of book like this.

Jessica Hurst:

As a pupil exactly feel bored for you to reading. If their teacher requested them to go to the library or to make summary for some publication, they are complained. Just small students that has reading's internal or real their leisure activity. They just do what the educator want, like asked to the library. They go to presently there but nothing reading very seriously. Any students feel that studying is not important, boring in addition to can't see colorful pics on there. Yeah, it is to be complicated. Book is very important for yourself. As we know that on this period, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. So , this *Come Fly with Us!: A Global History of the Airline Hostess* can make you really

feel more interested to read.
