Our Island War 2 Bark Mason

"I thought my holiday diary would be about barbecues, sunshine and too much alcohol. Instead, it's about guns, helicopters and too many soldiers. But here it ends, my diary of that summer, a record of our struggle, a record of our island war."

Twenty-four days have passed since the group returned to the cave following their daring operation at the town hall. Cabin fever is setting in and food is running out, forcing the friends from sanctuary. Hunted by enemy forces, they embark on a journey into the heart of danger, a journey of survival and of hitting back at those who have taken everything.

How long can the teenagers survive against such overwhelming odds?

This is the concluding sequel to Our Island War.

The story contains adult themes and is not suitable for children.
