Preaching Christ from the Old Testament: A Contemporary Hermeneutical Method Sidney Greidanus
Arguing for the need both to preach Christ in every sermon and to preach regularly from the Old Testament, Sidney Greidanus develops a christocentric method that will help preachers do both simultaneously.

Greidanus challenges Old Testament scholars to broaden their focus and to understand the Old Testament not only in its own historical context but also in the context of the New Testament. Suggesting specific steps and providing concrete examples, this volume provides a practical guide for preaching Christ from the Old Testament.
