Summoned Dreams (Dreams & Reality) (Volume 7) Hadena James

The most violent city in the United States doesn't normally garner much attention from the SCTU. Victims are easy to find on the destitute streets and dark alleys. They are even easier to prey upon as they desperately cling to hope. Their bodies are easy to hide in the abandoned houses and buildings that litter Detroit. In a city turning into a ghost town, serial killers stalk the trapped residents with hellish delight. One killer gains national attention, even among the most vile and violent Detroit has to offer. He isn't just killing his victims, he's burning their bodies and the buildings they are in with impunity. He does not hunt in the shadows, but takes his victims during the cold light of day. He's methodical, calculating, and leaves no clues for the police to follow. Leads are so few and the kills so brazen, that Aislinn Cain and the SCTU pack their bags and head for the grim streets of Detroit. It is in this desolate waste of a city, that they will face their most depraved and deceptive serial killer yet.
