Data Collecting Methods and Experiences: A Guide to Social Researchers

Data Collecting Methods and Experiences: A Guide to Social Researchers

The insightful experiences and successful strategies of leading social researchers are presented in this resource for collecting data on sensitive issues. The methodological challenges of researching different communities, from rural and indigenous communities to governmental and nongovernmental organizations, are discussed with suggestions on overcoming barriers and using a multifaceted approach to research. Wisdom and anecdotes from data collecting experiences are described to offer researchers confidence in field operations.
