Dove Exiled (The Dove Chronicles)

Karen Bao

Dove Exiled (The Dove Chronicles) Karen Bao

The thrilling sequel to *Dove Arising*, featuring "a brilliant new YA heroine in a world of true science fiction." (Bustle.com)

Phaet Theta is a fugitive. Hiding in plain sight with her friend Wes's family on the drowned planet Earth, Phaet discovers the rugged beauty of the world her ancestors once called home. All her life, she's been taught to fear the "Earthbound," and their generosity and kindness surprise and touch Phaet.

But when the Lunar Bases attack Wes's isolated village, Phaet's past catches up with her, and she's forced to choose: stay on Earth and fight beside the boy she's falling for, or stow away on a Moon-bound ship so she can save her brother and sister from the government that killed their mother.

This dramatic follow-up to *Dove Arising* plunges readers deeper into a complex and haunting world where freedom comes at a chilling price.

From the Hardcover edition.
