## **The Female Statue (BDSM Menage)** Charlotte Chase, Cherry Chase

Jill is used to using her sexual prowess to get men to do whatever she wants--that is, until she meets Marc. Marc is head of a rival company and commands power and money wherever he goes, and Jill needs him to sign merger forms. But her normal route of finessing fails as Marc finesses himself into her, leaving her moaning and dripping behind him. And then he gives her an offer: be a statue in his office, bound and gagged, ready to be used whenever and however he wants. She eagerly agrees, only for Marc to invite his friends over for a little taste. Exposed and aroused, Jill's subject to whatever his friends so desire, whether they want to taste her or slap her ass or deny her any satisfaction completely.
