For the killing of Osama bin Laden Islamic radical terrorists have devised a plot against America, worse than 9.11. It is a race against an explosive countdown to stop the plot. Follow this epic historical international political thriller, where the timeline is realistic to the times. Many Americans expect an attack at anytime by jihadist radical Islamic terrorists on U.S. soil which is causing many readers and intelligence agencies to consider the possibilities found in the 2016 political action thriller, "With Revenge comes Terror, a jihadist attack on America" by S.P. Grogan. Grogan's "With Revenge comes Terror" tracks the historic rise of jihadist terrorists, the death of Osama bin Laden, and an al-Qaeda/ISIS revenge attack on America. What makes the mini-epic unique is how the terrorists create their battle plan consisting of multiple simultaneous attacks, similar to the recent Paris tragedy, and the various responses to try and stop the attacks, as seen through the eyes of the C.I.A., a terrorist leader, and even stars of a reality television show looking to improve their ratings. The cast of characters are certainly out of the ordinary. Multi-millionaires Hugh and Samantha are looking for something exciting to do and they decide to go hunting radical terrorists in revenge for 9/11; so why not buy a TV production company and use the bounty hunting television stars to help in this crusade? Wendell, is a CIA agent, being forced into early retirement, when he is told to babysit the American TV stars who wish to go to Pakistan and capture Osama bin Laden. And Khalaf, a jihadist courier to bin Laden, will be the only adult male to escape being killed by Navy SEALs in the bin Laden compound. He is now tasked to help al-Qaeda and ISIS leaders launch their planned plot against America, called Operation Crimson Scimitar. Grogan is the author of other historic novels: "Vegas Die", "Captain Cooked" and the 2015 "Atomic Dreams at the Red Tiki Lounge". [www.spgrogan.com](http://www.spgrogan.com)
