Have you ever wondered why some people can handle life's pressures, while others cannot? Why some collapse and some rise? *And Some Rise Above It* takes a collection of short stories and molds them into one. As each character is introduced to the reader, so to are the perils each must overcome. But, as in life, some rise and some fall. Excerpt from CH. 11 "Please, don't jump. I can help you," pleaded the Seattle police officer as dense fog crawled over the darkened bridge. The only light beamed from the officer's flashlight, reflecting off the beads of sweat dripping from the desperate teenager's brow. "Let me help you," he begged.

"Don't come any closer. Don't take another step or I'll let go," wailed the teen, clutching the icy metal bars. "I swear to God I'll do it!"

Which character of *And Some RISE Above It* has reached this final breaking point, and why? Why are some able to conquer the perils of life, while others collapse from its pressures? The enigma is this. The spirit to rise has no boundaries, sees no color, cares not for gender and has no concern for financial status. It is selective whom it chooses, for not all accept its calling, which is to overcome.

If you enjoy Antwone Fisher, Good Will Hunting and Coach Carter you will applaud *And Some RISE Above It*. Laugh, cry, sing and dance with *And Some RISE Above It*, and swallow its message of hope.
