Reporter Kevin Price has a knack for tripping over his own feet. And everyone else's. He's in over his head undercover at the Haven, a swanky gay sex club, determined to find out why members of the club keep vanishing. Five minutes inside and he can no longer deny the truth about his sexuality. He turns to the one man he can't get out of his head, the sexy ex-cop handling security. Too bad Kevin doesn't trust cops. Not since the only night he let himself be with another man. Walter Simon doesn't do the club scene anymore. Not since he found love and lost it. That doesn't mean he'll let anyone hurt more innocent gay men. Even if that means going head-to-head with the klutzy, closeted, much-younger reporter. Kevin has information about the disappearances. Better to keep him close. And safe. Neither is at the club to hook up or fall in love. Now they must work together amid their growing passion in order to uncover the truth before more men disappear. Note: How to Save a Life features Walter Simon, a secondary character from MORE, but can be read as a stand-alone story.
