Ao Laiei does not know what happened to the great revolutionary war hero Uroie Aei since she resurrected him, but she has long intended to find out. Finally, a clue from an unlikely information source--the confusing art of dream-diving--enables her to be present for a surprising strike against an academic aligned with the revolutionary government. Laiei quickly discovers that it is not the physical target she is concerned with, but his field of study, which may unlock the secret of what mysterious deeds the elusive Uroie Aei has been up to since his disappearance. This compelling tale from writer Alter Reiss is a rich look at the world of the Shoesi and the magic that drives Ao Laiei's unique abilities.
