Salon Affair D A Latham

All Lily ever wanted was some excitement, well, that and a great job in a prestigious salon. Oh and a gorgeous boyfriend who took her to great places. Instead, she had Matt-with-moobs, a job in a salon which mistakenly sold thousands of cheap haircut coupons, and a best friend who liked to sit in on a Saturday night wearing a onesie. After she won the dream job, the good luck began to roll. The man of her dreams appeared in a sophisticated bar, and pursued her hard. With her new workmates, five gay hairdressers, guiding her on how to snare, and keep a man, her dream romance was finally a reality. Julian Alexander was an expert in seduction. He set his sights on Lily the moment she walked into his bar, as naive as a kitten. A successful businessman, and ruthless operator, sometimes even the most machiavellian men can't always predict the future.
