The Billionaire's Bride (Complete Collection) Aaliyah Andrews

Billionaire Lucas Moore needs a bride. Tia Daniels, a hard working girl trying to get ahead, isn't exactly in the mindset to be anyone's wife.

She's used to the grind. Lucas is a playboy, focused solely on mind numbing sex and submission.

Two different worlds are about to collide when Tia gets a ticket to the billionaire's game.

Refined, upper class women have been picked by Lucas's father in order to rein him in and secure an heir for their company.

Sassy and curvy, Tia doesn't exactly fit the mold chosen by the game's creators. But after Lucas and her butt heads, he doesn't want to let her go. "Give me five minutes, if after five minutes, you still want to leave, I'll let you go," Lucas tells Tia as she's about to storm out the door.

Little does she know, her life is about to shift radically. Five minutes could never be enough. She just might be Lucas Moore's for a lifetime.
