What if courage was your only option?

When Kallie lands a college interview with the city's new hot-shot police officer, she has no idea everything in her life is about to change. The detective is young, handsome and seems to have an unnatural ability to stop the increasing local crime rate. Detective Liam's particular interest in Kallie sends her heart and head stumbling over each other.

When a raging blood feud between vampires spills into her home, Kallie gets caught in the middle. Torn between love and family loyalty she must find the courage to fight what she fears the most and possibly risk everything, even if it means dying for those she loves.
