**Dark Days (Apocalypse Z) Manel Loureiro**

**The electrifying sequel to international best seller *Apocalypse Z***

The Russian-spawned virus that kills swiftly then ghoulishly resurrects its victims as ravenous cannibals has breached international borders.

*The infernal progression...*

From outbreak to epidemic and pandemic to sheer panic, the virus has shredded global civilization. Promised safe havens become deathtraps, lawlessness crumbles any remaining symbol of authority, and political violence in Spain threatens to erupt in civil war.

*Trapped...*

In the thick of the deadly madness, the young lawyer finds himself escaping to the Canary Islands in a stolen chopper with a motley crew made up of his Persian cat Lucullus, Ukrainian pilot Viktor “Prit” Pritchenko, 17-year-old beautiful distraction Lucia, and Sister Cecilia, who was trained as a nurse. The distant isle of Lanzarote is rumored to be the only refuge out of the virus’s reach. But with relentlessly multiplying hordes of the living dead—and equally fatal human treachery—blocking their every move, their quest for survival is quickly becoming a suicide mission.
