Ethical English: Teaching and Learning in English as Spiritual, Moral and Religious Education

Mark A. Pike

Ethical English: Teaching and Learning in English as Spiritual, Moral and Religious Education Mark A. Pike

Ethical English addresses the 'ethos' of English teaching and draws attention to its 'spirit' and fundamental character, identifying the features that English teaching must exhibit if it is to continue to sustain us morally as a liberal art and to provide the learners of increasingly plural societies with a broad ethical education.

Mark A. Pike provides practical examples from the classroom, including assessment and teaching, knitting these with an ethical critique of practice, stimulating readers to engage in critical reflection concerning the teaching of English. This book not only shows readers how to teach English but also helps them to critically evaluate the ethics of the practice of English teaching.
