HoBs is switching it up, from the dark stuff, to the love poems which are contained in this book. Vivid imagery, great poetry and like every other love poem ever written full of cliches. Her shows that he is more than a dark, depressed, poet. Illustrates his love for the woman that has had his back for a year now, as he goes through the struggles he goes through. Give his love poems a chance, I am sure you will enjoy reading every little bit of this.
