**Ola de calor (Serie Castle 1) (Spanish Edition) Richard Castle**

**El escritor número uno en ventas Richard Castle, autor de los *bestsellers* de «Derrick Storm», nos presenta a su nuevo personaje: la detective de homicidios del Departamento de Policía de Nueva York Nikki Heat, dura de pelar, sexy y profesional.**

En *Ola de calor*, primera entrega de la «Serie Castle», Nikki Heats se enfrenta a un desafío inesperado cuando el inspector jefe le asigna de compañero al famoso periodista Jameson Rook, ganador de un premio Pulitzer, quien deberá acompañarla en una investigación para escribir uno de sus artículos.

El caso que deben investigar es misterioso y complicado: un magnate inmobiliario del estado de Nueva York ha muerto desplomado sobre una de las aceras de la ciudad; una esposa florero con un sombrío pasado ha escapado de milagro a un descarado ataque; los principales sospechosos de las agresiones, gánsteres y hombres de negocios con poder con motivos de sobra para asesinar, recitan de memoria sus coartadas. Y, en medio de una sofocante ola de calor, un nuevo homicidio tiene lugar y da comienzo a un tenso viaje por los pequeños y oscuros secretos de los ricos.

A medida que avanza la investigación, Nikki deberá reconocer que, lejos de resultar un incordio, el periodista que le pisa los talones le resulta útil e incluso le parece atractivo..., de modo que deberá lidiar también con la chispa que ha surgido entre ellos. Una chispa en medio de una ola de calor.

**La «Serie Castle» está compuesta por los libros escritos por Richard Castle, protagonista de la serie de televisión *Castle*, que triunfa con más de 1.500.000 de espectadores.**
