Thirty-nine days ago, Dyston disappeared and the world suffered for it. Scarlett doesn't understand why he had to leave, but Dyston is being haunted by the demons of his past, and also the truth of what he is—he is tainted. But leaving is also a ploy. Dyston can't let Scarlett find out the real reason for his leaving, for if she does find out, he fears she could never forgive him. In the search for the missing journals of the nine archangels, Dyston also discovers some things he didn't know about himself. But little does he know, the one journal he can't find lies with his heart. Will Dyston be able to forgive himself and return to his loved ones, or will he hide away forever?
