**Island Fire (Island Series Book 1) Toby Neal**

**In the very near future, on the tiny island of Lanai, teens from very different worlds must find a way to survive when technology is destroyed.**

Bea and Sam, Hawaiian kids isolated by a paranoid, alcoholic father, are thrown together with orphaned big-city pickpocket Nick when a disaster fries all technology. Aided by a mysterious `aumakua dragon that may or may not be Bea's imaginary friend, the kids face fire, plane crashes, gangs, pit bulls, thieves, sharks, hunger, thirst and abuse in a coming-of-age that explores a post-technology world where only the strong and connected survive.

*"Danger, love, fear, absolution, bravery and strength in a fascinating world are shown through wonderful characters in this absolutely beautiful story." G. S., reviewer*

*"Deep, fast-paced, filled with action, suspense, and heart, this little book is huge!" B. Morrison, middle school teacher*
