It's All in the Head Majella O'Donnell

The Number One Irish bestseller and 2014 Irish Book Award-winner, this is the searingly moving and empowering story of Majella O'Donnell, wife of Irish singer Daniel O'Donnell. It begins with her childhood in the 1960s, growing up in a small town in Ireland, her early love of music and dreams of a future full of hope and excitement, only to be dashed by a broken marriage and an uphill battle with depression.

Her confidence and self-esteem at a low ebb, Majella decided to take charge of her own life and make a fresh start. Then destiny lent a hand when she met Daniel O'Donnell, and their marriage in 2002 brought her immense happiness and fulfilment. It was a decade or so later that tragedy struck, with the diagnosis of breast cancer.

This is the compelling story of a woman made extraordinary by the courage with which she faced her greatest challenge. A woman who has learned about life the hard way, but who, with the love and support of her family and her husband Daniel, and the public by her side, has come through with a force of character and a deep-seated determination that will inspire us all.
