She Can Hide (She Can Series, Book 4) Melinda Leigh

From the moment Officer Ethan Hale pulls Abby Foster from icy waters, he senses there's more to her than meets the eye. Abby has no memory of the accident that submerged her car in the frozen river. Three years ago, Abby was kidnapped and abandoned in a well for a week. The botched police investigation nearly killed her. Abby had moved to the mountains of Pennsylvania for a fresh start, but when it becomes clear that this car crash wasn't an accident, she knows the violence from her past has caught up with her.

But Abby's former assailant was convicted and imprisoned, so who else wants her dead?

Ethan uncovers a fresh string of murders tied to Abby's past. Someone is trying to kill her, and this time the stalker seems determined to finish the task. As the killer grows bolder, Abby begins to trust Ethan enough to share the truth, her heart, and her life. But to stop the murders, Ethan must make a decision that could jeopardize it all.
