The Great Siege: Malta 1565 Ernle Bradford

A thrilling, cinematic account of the siege of Malta as it's never been told before

Suleiman the Magnificent, the most powerful ruler in the world, was determined to conquer Europe. Only one thing stood in his way: a dot of an island in the Mediterranean called Malta, occupied by the Knights of St. John, the cream of the warriors of the Holy Roman Empire. A clash of civilizations the likes of which had not been seen since Persia invaded Greece was shaping up. Determined to capture Malta and use its port to launch operations against Europe, Suleiman sent an armada and an overwhelming army. A few thousand defenders in Fort St. Elmo fought to the last man, enduring cruel hardships. When they captured the fort, the Turks took no prisoners and mutilated the defenders' bodies. Grand Master La Vallette of the Knights reciprocated by decapitating his Turkish prisoners and using their heads to cannonade the enemy. Then the battle for Malta began in earnest: no quarter asked, none given.

The Great Siege recalls a clash of civilizations, the likes of which had not been seen since the time of Alexander the Great. This detailed and accessible narrative will delight readers of history as well as fans of films such as *Braveheart* and *Ben Hur*.
