Otah Machi, caught between ancient wonders and a modern empire, has survived more than most men endure in two lifetimes. In *Price of War*, an omnibus collection of *An Autumn War* and *The Price of Spring*, magic and treacherous politics bring a bitter harvest of violence and tragedy to the world he must defend.

But when all is darkest and the world seems utterly lost, there is yet hope for the salvation of a future yet undiscovered. All depends on Otah, and those with the power to shape it, if they can find the courage to forgive their own trespasses and redeem their lost hopes.

This unforgettable fantasy epic series, the Long Price Quartet, marks Daniel Abraham as a unique voice and one of the most enthralling fantasy writers to emerge in recent years.
