St. Tomid

Adamant Evolutionists versus Adam & Eve Illusionists St. Tomid

New answers to old questions. The collected theological thoughts and philosophies of a devoutly open-minded agnostic.

Is murder always wrong? Who or what is watching us? Should gay marriage be legalised? Why did atheism fail the first time around, and will it ever make a successful comeback? Why should we love our enemies? Is free will possible? Should we 'live and let live'? Have you already committed the unforgivable sin? When is open-mindedness a weakness? Are you better than Adam and Eve? Is Hitler in Heaven? Why do losers win the lottery? Do rubbish things require great names? If something sounds good, does that mean it is good? What is a foetal dream? What's wrong with copyright? Does God believe in you? Where do you keep your ketchup?

Please write a review. I don't mind if you hate it, as long as your review is helpful.
