Michael Talbot thought he was done with the Arena.

He was wrong.

Handed over by those who were supposed to protect him, Mike finds himself -- once again -- aboard the Progerian ship facing the prospect of yet another death match. But all is not as it seems within the alien ranks and Paul Ginson has the Progerians' number. Before long Mike finds himself back where this story began: Indian Hill.

War is no longer coming. It has arrived and things aren't going well for the hometeam. Most of the major cities have been destroyed. The armies of the world have been reduced to a shadow of their former strength. Paul's militia, designed to be a first line of defense is now Earth's last hope for a stalemate. And with the help of an unexpected ally, it might just barely be enough.
