Olivia Townsend is in trouble and out of options. Pursued by a dangerous man in search of a lost treasure she doesn't possess, she's got only two things in her favor: her late husband's diary, which she was never meant to see... and the man who was her first—and only—love. Losing him broke her heart, though she's been careful to hide it for the last ten years. But when he comes to her aid and vows to stand by her, no matter what, she can't help but hope things will be different for them this time.

James Weston has blamed himself for letting Olivia down when she needed him years ago, and now he'll do whatever it takes to keep her safe—and to win her trust again. He's confident he can outwit the villain chasing Olivia. But being so near her again threatens to expose every secret in his heart ... even those that he swore would stay hidden forever.
