Based on the same concepts and research that informs the classic leadership book *The Leadership Challenge, Fifth Edition*, this Workbook is a clear, accessible, step-by-step guide to The Five Practices of Exemplary Leadership, which is foundation of The Student Leadership Challenge approach. Adapted from The Leadership Challenge Workshop, this guide uses anecdotes from real young people, quotes from famous leaders, experiential activities, writing assignments, and reflection questions to walk young people ages 12-18 who have little to no leadership understanding or experience through the core concepts of The Five Practices Model.
