Commentary on Romans Charles Hodge

Charles Hodge (1797-1878) was the chief theologian of Old Princeton, and is still revered today as one of the greatest American theologians in the Presbyterian tradition. His magisterial commentary on Romans is still in print.

"It is very important to know what the Bible teaches both about the object and the nature of saving faith," Hodge comments on Romans 10:11. "That object is Christ, and saving faith is trust. He is so complete a Saviour as to be able to save all who come to God through him; and therefore everyone who trusts in him will not be put to shame."
